

Centerlight Healthcare Territory Schedule

The plans, labeled A, B, and C, correspond to the attached calendar pages in this document. Our goal is to distribute the billboard units evenly to cover the territories within the CenterLight Healthcare facility locations. While the billboard operator will make every effort to adhere to the suggested routes accurately, minor deviations may occur on local roads due to safety considerations, adherence to local road rules, weight or height limitations, and other traffic-related factors. These decisions will be at the discretion of the driver. Additionally, specific routing recommendations for the campaign may be taken into account. If you wish to schedule a special event, please provide a minimum of 48 hours' notice in advance.
